

**FEELING TIRED?
NEED AN ENERGY BOOST?
TRY A VITAMIN B-12
SHOT!**

Vitamin B-12 Is a completely safe energy boost!

IMPORTANCE: Vitamin B-12 is necessary for normal metabolism of nerve tissue and is involved in protein, fat and carbohydrate metabolism.

Function: Vitamin B-12 has provided relief of the following symptoms

- *FATIGUE*
- *MILD IMPAIRMENT OF MEMORY*
- *INABILITY TO CONCENTRATE*
- *INCREASED NERVOUS IRRABILITY*
- *MENTAL DEPRESSION*
- *LACK OF BALANCE*
- *INSOMNIA*

When taken by mouth, Vitamin B-12 is broken down by the acid in the stomach and rendered inefficient. It is given by injection to facilitate its use in the body.
