NEW ANNOUNCEMENTS

* We now have a new all-in-one weight loss injection called MYO-LIPO-B that can increase your energy levels, stamina, decrease cortisol levels, decrease inches, boost your immunity and help you lose the pounds before summer in a once weekly injection. Make sure to pick up all Bio-Identical hormone medications on Friday, and also make sure to ask about the “All-in-One” shot to help you reach your weight loss goals. Also be sure to give us your email address so we can send you calendar updates, new medications or injections updates, coupons and many other exciting changes to help encourage you along the way. We are also very competitive on botox, laser hair removal, mesotherapy procedures (fat spot reduction), acne and lightwave for tightening skin.
